**At our last meeting:** I was unable to attend the July meeting, but Shawn Earley was kind enough to fill me in on the details so I could get the info in the newsletter. Thanks Shawn.

Brian mentioned that the Chapter clothing he ordered has arrived. Please come to the August meeting or contact him to pick up any merchandise you may have ordered. Brian always gets us great deals on high quality products, so be sure to thank him.

The Women in the Outdoors event will have passed by the time you receive this. (Aug.16). We had quite a few gals interested in pursuing Muskies for a few hours. Come to the August meeting for all of the details from this Chapter event.

Brett made a Motion to donate some funds to Dean Hildebrand to be used towards the WMA Dedication. Let Brett know if you're interested in the details regarding this donation.

If you'd like to fish this year's Chapter Challenge, contact John Skarie. We've got two cabins reserved with a cost of \$25.00 per night and no deposit is needed. It will be held in the Cass Lake area September 24-26, and is a great way to meet new people and have a lot of fun.

Wednesday Night League is well under way now, and is even better with the new rules in place. Remember that you now get points for bringing new members, and also for each night you attend. 15 Points gets you a chance in the end of year drawing, and the points leader for the year will be given a sweatshirt. Check the website for the most up to date point standings. Also, Brian may be grilling again at the West Battle League outing on August 23. This is a Saturday outing and we'll fish from 8am until 1pm. If we are grilling, it will most likely be at the same location as last year, the park by the West access on the lake, and we'd meet there around 2pm.

The Chapter outing at Lake of the Woods was a huge success. Check out the back page of this newsletter for the detailed fish count. Because it was so impressive and the local waters have not been producing, I decided to run the LOTW figures instead of the fish list. There were a few changes to the fish list, and you can check those out on our Chapter website. Good fishing all.

### Chapter Website

If you haven't checked out our Chapter website yet, please do so and tell me what you think. There is information available there that is not featured in the monthly newsletter due to space limitations. Please check it out occasionally so you can find out the latest information about our Chapter happenings.
