## Walleye Widows Outing

The Lake Region Anglers Association held their Walleye Widows Outing on Sunday September 12th, 2010 out of Graham's Island State Park. The teams were greeted with a nice morning with light winds although cool wind to start the Outing but as the day moved on the winds picked up until the end of the fishing day at 3:00 P.M. when winds blew at around 20 mph with gusts up to around 30 mph. The teams participating were happy to be able to hold the event as adverse weather conditions had caused this Outing to be cancelled on three different occasions to high wind advisories.

The teams enjoyed a rib-eye dinner with all the fixing prepared by the Cedar Inn Restaurant following the Awards ceremony. Our thanks go out to the Cedar Inn for catering in such a great meal.
