

The Lake Region Anglers Association would like to remind its members that we are coming up on the deadline for member nominations for our Sportsman of the Year Award and our Lifetime Achievement Award. The Association takes nominations from our membership as well as having the President set-up a committee to explore persons for consideration of these two Association awards. The deadline for placing a person in nomination for one of these prestigious Awards is March 1st, 2011. The Board of Directors will at its March meeting review any member nominations and committee nominations to determine if either of these Awards will be given out for 2010 so it is important that you act quickly if you wish to place a member up for nomination.

We have attached a nomination form for each of these Awards with this electronic notification; we have a copy of the nomination forms on our Lake Region Anglers Associations website at <http://ndsportfishingcongress.org/lraa/AwardForms/AwardForms.html> for your use. If you are unable to access the award nomination forms from either of these locations we can also mail out a nomination form to any members interested in nominating a member for one these awards. Please contact us if you would like a nomination form mailed out to you.

"Sportsman of the Year Award" and "Lifetime Achievement Award"

Any member has the right to nominate a person for the LRAA Sportsman of the Year Award or the LRAA Lifetime Achievement Award.

If you would like to nominate a member for one of these prestigious Awards please prepare the nomination form of your choice from the nomination form included in the attachment here. If you are unable to access your chosen Award form via the attachment please contact LRAA through e-mail or regular mail and we will forward a nomination form out to you. If you have any questions on preparing the nomination form (s) please contact LRAA and we will respond to your questions. Please return your completed nomination form back to LRAA via the mail or through e-mail by including a copy of the nomination form in an attachment.

All nomination forms should be returned to LRAA prior to March 1st as the Board of Directors reviews all Sportsperson of the Year and Lifetime Achievement Award nominations that are received at their March Board of Directors meeting since this is the last Board meeting that is held prior to the membership's annual meeting. These two awards, the Sportsperson of the Year and Lifetime Achievement when given out are announced at the Association's Members Annual Meeting.

If you have questions on any of the Association Awards please contact us at:
