

Sportsmanship Fellowship
Lake Access Youth

We would also like to take this time to thank those members who have already renewed their membership with us for the Association's 2010-2011 fiscal year and to encourage those who have not yet renewed their membership for this season to please consider doing so.

We have included in an attachment here a copy of our LRAA new member, membership renewal form to simplify the process. We would like to ask each one of our existing members to assist us in recruiting new members to the Lake Region Anglers Association. If you know of someone who fishes Devils Lake or the area waters that benefits from our work through-out the Lake Region in the areas of conservation, preservation, lake access, youth activities, in promoting fellowship and sportsmanship please consider asking them to become a new member of the Lake Region Anglers Association.

Our goal this year is increase our LRAA membership through a membership program called **"EACH ONE, REACH ONE"**. Please consider becoming part of that program and help LRAA to increase our membership ranks. It is through efforts like these that **WE** as an organization will continue to grow, a growth that will enable us to do even more to support the Association's objectives.

Thank you for your support of LRAA. "WISHING YOU ALL GOOD FISHING"
