Lake Region Anglers Association "Team of the Year"

The "**Team of the Year**" concept is new to the Lake Region Anglers Association. The main objective of the "**Team of the Year**" is to hopefully increase participation in the Association Outings through the development of a competition based on a points system for our LRAA members who fish in the following combination of the Association's Outings, 1) Spring Northern 2) East Bay Outing & 3) the Devils Lake Open. The rules for the LRAA "**Team of the Year**" are included here in an attachment for your review. The "**Team of the Year**" award will not change the competition, the awards for the top finishing places at each individual Outing it will be an additional award presented to the team with the highest point total of the Association's three (3) qualifying events.

If you have any questions pertaining to our 2010 Outings schedule or on the rules governing the LRAA "**Team of the Year**" please contact any one of the Association's board members or contact us at lraa@gondtc.com

We are all looking forward to our first upcoming Outing the Spring Northern. We hope to see you all there.
