

KID'S DAY - JUNE 5, 2010

After last years wintery June weather, this years kid's day turned out to be a sunny, warm and beautiful day. Over 40 kids turned out for this event. There were lots of fish caught!

Game and Fish brought out their electrode boat. They brought in about 6 different types of fish which the kids had a great time looking at and playing with them in the tank.

Thanks to all the volunteers and vendors who helped to make this event a success.

Jim Steinman,
Director of Kids Day
