JANUARY 2021

NO. 2

The club is looking forward to the new year.

We have the ice fishing derby coming up **February 20th** at Lake Audubon and our cabin fever event is **March 13th** at the Mandan Moose. Please come and support the club events. Check our Facebook page for any event changes.

We need some members to join in the events and if anyone is willing to join the board, we have positions that need to be filled. So please volunteer some time to help the Reel & Rec club.

Thank you.

Wayne Blohm, President

CABIN FEVER 2021

The Bis-Man Reel and Rec clubs annual “Cabin Fever Social” is scheduled to take place **Saturday, March 13th, 2021** at the Mandan Moose. The Social will start at 5:30 PM, and the Dinner Served between 6:15 and 6:30. On the menu will be your choice of either “Prime Rib or Creamed Chicken Breast Dinner.” I have the tickets that were sold last year with meal choice. They will still be good for this year. If you are unsure that you purchased a ticket last year, give me a call @ 701.400.5089. Anyone needing to purchase a ticket can also get a hold of me at the above number. Make sure you let me know of your meal choice as I need these by no later than March 9th. The cost of the dinner ticket is \$20. Children are welcome, and will have a choice of purchasing an adult meal, or be served a children’s chicken strip dinner. The Club will cover the tab for the children’s chicken strip dinner. There will be many numerous raffles with a lot of great items to win.

Thanks for your support. - **Jeff Herman – Vice President.**

Ice Derby 2021

Hello to fellow Sportsman;

We all know what a crazy year we have been through so it’s time we get out and have some fun. The club will be holding their Ice Derby on **February 20th** at lake Audubon.

Things will have to be a little different this year. We will not be able to have the raffle and prizes in the Totten Trail. Our plan is to have the registration at the Totten Trail as we always have. Registration starts at 7 am. Fishing will be from 10am until 2pm. Tickets for the derby will be \$10 and any one 15 and under are free. There will still be prizes for 1st, 2nd, and 3rd for Perch, Walleye and Northern for adults and the kids. We will also have something for all the kids. There will be a smaller raffle on the ice. Any Questions you can give me a call. Don Schick 701-214-9832

PROTECT NORTH DAKOTA WATERS from Aquatic Nuisance Species

Clean - Drain - Dry

Zebra mussels from the Red River

Aquatic nuisance species are nonnative plants and animals that threaten fishing, boating, swimming and other water-based activities. North Dakota has carefully crafted regulations to help prevent the introduction and spread of ANS.

Summary of North Dakota Laws

- Remove all aquatic plants and organisms from equipment (such as boats, decoys, commercial equipment) before leaving a water access.
- Drain all water.
- Keep plugs pulled during watercraft transport.
- Transport bait in 5 gallons of water or less.
- Drain bait water when leaving ANS infested waters.

In addition, it is highly recommended that boaters dry their boats, or power wash with hot water, between uses.
